

Ingredients, Storage & Shelf Life

Thank you for shopping with us on the [Handmade Market](#) online! Below you'll find some additional information about best practices to get the most from your freshly created, all natural Lovebee products!

Shelf Life

While our products contain botanical ingredients that act as natural preservatives, natural products (free of man-made synthetic chemical preservatives) do (and should!) have a limited shelf life.

We therefore recommend strictly adhering to the following information to ensure the best experience:

Oils & Ointments	—	Up to one year after delivery
Sprays & Perfumes	—	Up to one year after delivery
Balms & Salves	—	Up to six months after delivery
Butters, Creams & Whips	—	Up to six months after delivery
Soaps, Solids & Gels	—	Up to six months after delivery

Storage

As much as is possible, we recommend that you keep Lovebee products in a cool dry location out of direct sunlight. Specifically, a temperature between 10 - 24 Celsius (50 - 72 Fahrenheit) is ideal.
